

ATLAS ROOFING LIMITED SHINGLE WARRANTY

LIMITED SHINGLE WARRANTY

ATLAS ROOFING CORPORATION ("ATLAS") warrants to you, the original owner of its shingle products, that this product is free from any manufacturing defects that materially affect the performance of your shingles during the Premium Protection Period or that cause leaks for the balance of the applicable warranty period. This warranty is effective on all product types stated herein and installed in the United States or Canada on or after 6/1/2026.

LIMITED WARRANTY PERIOD

Your ATLAS shingles qualify for a limited warranty (as listed in the Warranty Details chart below) when properly installed in accordance with the product's application instructions available on product packaging or at www.atlasroofing.com, in addition to, all local building code requirements in effect at the time of installation.

PREMIUM PROTECTION PERIOD

Premium Protection Period refers to the initial full labor and material coverage during the critical first years of your roof's life (see Warranty Details chart for product-specific Premium Protection Periods). The limited warranty is the sole and exclusive remedy, and during the warranty period specified in the Warranty Details chart below, the maximum repair or replacement cost to ATLAS shall not exceed during the Premium Protection years, the replacement cost to the owner for the product plus replacement labor cost for the defective shingles (this limited warranty does not include costs for roof deck repairs, flashing, metal work, or related work).

PRORATED LIMITED WARRANTY PERIOD

During the remaining limited warranty period (after the Premium Protection Period), ATLAS will adjust valid claims (product materially affected by a manufacturing defect), by an amount determined by decreasing monthly the replacement cost of the product in proportion to the unexpired warranty period. To reflect the percent of use you have received from your shingles, the warranty calculation will be made by dividing the number of months that have elapsed since installation by the number of months in the warranty period. If applicable, the StormMaster® Shake, Pinnacle® Impact, Pinnacle® Sun, Pinnacle® Pristine Lifetime Limited Warranty proration after the 45th year or 540th month of installation will have a 10% proration factor for the lifetime of the original owner (see LIMITATIONS AND RESTRICTIONS FOR THE LIFETIME LIMITED WARRANTY). In no event shall ATLAS' liability extend to any cost for the tear-off of the product or for the replacement installation cost of the new product during the prorated period.

LIMITATIONS & RESTRICTIONS FOR THE LIFETIME LIMITED WARRANTY

ATLAS will provide the homeowner who initially purchases StormMaster® Shake, Pinnacle® Impact, Pinnacle® Sun, or Pinnacle® Pristine with a warranty that lasts the lifetime (lifetime meaning the lifetime of the original property owner (not the roof), or the second owner if coverage was properly transferred during the first 15 years) of the homeowner's possession, provided that proper product installation in accordance with the instructions (as provided on the product packaging) is followed.

The lifetime coverage offered by this warranty automatically ceases/ends upon the sale of the property or the death of the last of the homeowners who owned the home at the time of the application unless it is transferred as described below under Transferability.

The lifetime limited warranty option is only available for an individual single-family site-built detached residence. A 50-year limited warranty would apply to all property owned by government agencies, corporations, limited liability companies, partnerships, trust, religious organizations, schools, or school districts, condominiums, or cooperative housing arrangements, or installed on apartment buildings or any type of building or premises not used by individual homeowners for a single-family site-built detached residence.

LIMITATIONS OF REMEDIES AND LIABILITY

This limited warranty is the sole and exclusive remedy provided by ATLAS for shingles containing manufacturing defects. For those shingles containing manufacturing defects, your maximum remedy is outlined herein under the sections entitled Premium Protection Period and Prorated Limited Warranty Period. The decision on which of the stated remedies is provided to an original owner or authorized transferee in each individual case shall be at the sole discretion of ATLAS. If proration applies as stated above, ATLAS will calculate the appropriate percentage as stated herein under (Prorated Limited Warranty Period). If providing replacement shingles, ATLAS, wherever possible, shall replace shingles with shingles of the same color and design; however, since color variances exist between shingles manufactured at different times and since ATLAS may discontinue or modify its shingles, ATLAS reserves the right to replace defective shingles with shingles of similar color and design.

IN NO INSTANCE IS ATLAS RESPONSIBLE FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES. THE DURATION OF ANY IMPLIED WARRANTY IS HEREIN LIMITED IN DURATION TO THAT OF THE EXPRESS WARRANTY STATED HEREIN.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions may not apply to you.

SOLE WARRANTY

THE LIMITED WARRANTIES SET FORTH HEREIN ARE EXCLUSIVE AND LIMITS AS TO DURATION ALL OTHER WARRANTIES WHETHER EXPRESSED OR IMPLIED BY LAW INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE TO THE TIME PERIODS STATED ABOVE. ATLAS MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, OTHER THAN THE LIMITED WARRANTY SET FORTH HEREIN. THIS LIMITED WARRANTY CONTAINS ALL OF THE PROVISIONS OF YOUR REMEDIES FROM ATLAS. ATLAS' LIABILITY IS LIMITED TO THE PROVISIONS OF THIS LIMITED WARRANTY, WHETHER ANY CLAIM AGAINST IT IS BASED UPON STRICT LIABILITY, NEGLIGENCE, BREACH OF WARRANTY OR ANY OTHER THEORY OR CAUSE OF ACTION. NO PERSON IS AUTHORIZED TO ALTER THIS LIMITED WARRANTY EITHER ORALLY OR IN WRITING. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

MANDATORY ARBITRATION

Subject to applicable law, both Atlas and the Purchaser, original homeowner and/or transferee (subject to transferability terms herein) agree that any disputes or claims connected to this limited lifetime warranty or the use of Atlas shingles will be resolved through binding arbitration. Because this warranty involves a transaction in interstate commerce, the Federal Arbitration Act will apply to both the interpretation and enforcement of this arbitration agreement. Before initiating arbitration, the party seeking it must send a formal written notice via certified mail to the other party. This notice must (a) explain the nature and basis of the claim or dispute, and (b) detail the specific resolution or compensation being requested ("Demand"). If the issue is not resolved within 30 days of receiving the notice, either the Purchaser or Atlas may proceed to file for arbitration.

All matters, including whether a dispute falls under this arbitration clause, will be decided by the arbitrator, who must apply the terms of this warranty when rendering a decision. The arbitration process will follow the American Arbitration Association's (AAA) Commercial Dispute Resolution Procedures and Supplementary Procedures for Consumer-Related Disputes (collectively, "AAA Rules"), with any necessary adjustments outlined in this limited lifetime warranty. The arbitration will be administered by the AAA.

Both the Purchaser, original homeowner and/or transferee (subject to transferability terms herein) and Atlas knowingly waive their right to a jury trial. Any injunctive relief granted by the arbitrator must be limited to what is necessary to address the individual claim of the party requesting such relief and may only benefit that specific party. Claims may only be brought by the Purchaser, original homeowner and/or transferee (subject to transferability terms herein) or Atlas in their individual capacities. Neither party may act as a plaintiff or class member in any type of class action or representative lawsuit. Additionally, the Purchaser agrees that the arbitrator is not permitted to combine multiple claims into a single proceeding or oversee any form of representative or class-based arbitration.

GOVERNING LAW AND FORUM

This limited lifetime warranty, along with any disputes arising from it, shall be governed by the laws of the United States and the State of Mississippi. Except as otherwise provided under the "Arbitration" section of this warranty, if any dispute is not subject to arbitration, both parties agree that any legal action must be brought exclusively in the Circuit Court of Lamar County, Mississippi, if in state court and in the United States District Court for the Southern District of Mississippi, Eastern Division, if in federal court, and irrevocably consent to the jurisdiction and venue of those courts for resolving such matters.

WIND LIMITED WARRANTY

(Covers shingles only) ATLAS warrants that its shingles will resist damage by wind gusts up to a maximum wind speed as indicated in the Warranty Details chart provided that the shingles have been installed in accordance with the printed application instructions on the shingle bundle wrapper, and have had the opportunity to seal down. If during the Wind Limited Warranty period, indicated in the Warranty Details Chart, damage occurs to the shingles as a result of wind gusts under the specified Wind Speed Limits, ATLAS will furnish at no charge, replacement shingles for the damaged shingles only, but not for replacement labor. The coverage against wind gusts as described above is 15 years for lifetime shingles and 5 years for all other shingles from the date of installation.

High Wind Speed Provision: Atlas offers the property owner a 130-mph high wind speed provision for Pinnacle® Impact, Pinnacle® Sun, and Pinnacle® Pristine shingles that have the "Built with HP Technology" designation on the product packaging (produced in Ardmore, Daingerfield, Franklin, Hampton, and Meridian) when following the Atlas standard 4-nail application or 6-nails for steep slope and Mansard application as seen on the product packaging. Atlas offers the property owner a 150-mph high wind speed provision for StormMaster® Shake shingles that have the "Built with HP Technology" designation on the product packaging (produced in Daingerfield) when following the Atlas standard 4-nail application or 6-nail for steep slope and Mansard application as seen on the product packaging.

¹ Single-family is considered single-family site-built detached homes.

² Helps resist the black streaks caused by algae.

³ The StormMaster® Shake, Pinnacle® Impact, Pinnacle® Sun, and Pinnacle® Pristine Lifetime Limited Warranty proration after the 45th year or 540th month of installation will have a 10% proration factor for the lifetime of the original owner.

⁴ In order for StormMaster® Shake, Pinnacle® Impact, Pinnacle® Sun, and Pinnacle® Pristine shingles to qualify for the Atlas Algae-Resistance Limited Warranty against black streaks caused by blue-green algae for shingles with Scotchgard™ Protector, installation must include StormMaster® Hip & Ridge shingles featuring Scotchgard™ Protector, Pro-Cut® High Profile Hip & Ridge Shingles featuring Scotchgard™ Protector, or Pro-Cut® Hip & Ridge shingles featuring Scotchgard™ Protector.

SEALANT FEATURE

In order to activate the sealant feature, the shingles must be exposed to direct sunlight for a continued period of time for the shingles to seal. Shingles installed in fall or winter and not exposed to adequate surface temperatures, or other conditions, which temporarily or permanently preclude activation of the sealant, may never seal and must be hand-sealed at the time of installation. It is not a manufacturing defect if shingles fail to seal under the above circumstances, and Atlas will not be responsible for repair, replacement, or hand-sealing shingles under these circumstances. However, in the event the shingles fail to self-seal after proper installation and climatic exposure, and Atlas is notified within the first year after installation, ATLAS' sole responsibility shall be to pay a reasonable cost to hand seal the affected shingles.

ALGAE - RESISTANCE LIMITED WARRANTY

(If applicable) ATLAS warrants that its algae-resistant shingles (those with the "ARS" designation) will remain free of obvious and unsightly black streaks due to blue-green algae growth for a period of ten (10) years from the date of installation. In the event the algae-resistant shingles fail to meet this coverage, ATLAS' sole and only liability shall be to pay the reasonable cost of cleaning, repairing, or replacing the affected shingles, up to the following limits: (a) during the first one (1) year, the maximum cost to ATLAS shall be, at its option, the cost to clean, repair, or replace the shingles in the affected roof area. Replacement includes the costs of labor, tear-off, and replacement of the affected shingles (does not include costs for deck repairs, flashing, metal work, or related work); (b) during the remainder of the algae warranty period (years 2-10), the maximum cost to ATLAS shall be, at its option, the cost to clean or replace only those shingles exhibiting algae discoloration, in proportion to the unexpired warranty period, excluding all installation costs.

(If applicable) ATLAS warrants that its shingles featuring Scotchgard™ Protector (those with the "featuring Scotchgard™ Protector" designation) will remain free of obvious and unsightly black streaks due to blue-green algae growth with a warranty that matches the limited warranty period for the shingle, (Lifetime for StormMaster® Shake, Pinnacle® Impact, Pinnacle® Sun, and Pinnacle® Pristine; lifetime meaning the lifetime of the original property owner, not the roof, or the second owner if coverage was properly transferred, as outlined herein under "Transferability"), provided that proper product installation in accordance with the instructions (as provided on the product packaging) is followed. Additionally, Pro-Cut® Hip & Ridge Shingles featuring Scotchgard™ Protector, Pro-Cut® High Profile Hip & Ridge shingles featuring Scotchgard™ Protector, or StormMaster® Hip & Ridge shingles featuring Scotchgard™ Protector must be installed on the roof ridge and hips for this warranty to be valid. Shingles can be used as their own hip & ridge and still qualify for the Scotchgard™ Protector warranty, but cannot be used with any other shingle with Scotchgard™ Protector. In the event the Atlas shingles featuring Scotchgard™ Protector fail to meet this coverage, ATLAS' sole and only liability shall be to pay the reasonable cost of cleaning, repairing, or replacing the affected shingles, up to the following limits: (a) during the Premium Protection Period (Premium Protection Period for each shingle is outlined herein in the "Warranty Details" chart), the maximum cost to ATLAS shall be, at its option, the cost to clean, repair, or replace the shingles in the affected roof area. Replacement includes the costs of labor, tear-off, and replacement of the affected shingles (does not include costs for deck repairs, flashing, metal work, or related work); (b) during the remaining warranty period (after the Premium Protection Period), the maximum cost to ATLAS shall be the full cost to clean only those shingles exhibiting black streaks due to blue-green algae. The lifetime limited warranty against black streaks due to blue-green algae is only available for individual single-family site-built detached residences. For all properties not classified as a single-family site-built detached residence, Atlas' terms (stated above) for Algae coverage is for a period of 25 years only. These shingles contain a preservative to inhibit black streaks caused by blue-green algae - which only applies to the shingles.

NOTE: SALT FOG AREAS & LOW-VOLUME RAIN

Copper released from algae-resistant (AR) shingles (granules) may chemically interact with aluminum gutters. In regions where rainfall is minimal over extended periods (such as areas that receive little to no precipitation within a 90-day span) or where "salt fog" conditions are common it is highly recommended to install vinyl or copper gutters instead of aluminum when using algae-resistant shingles. Atlas does not accept responsibility for any damage resulting from the use of AR shingles containing copper granules in conjunction with aluminum gutter systems.

LIMITATIONS OF COVERAGE (WHAT IS NOT COVERED)

ATLAS shall not be liable for, and the Limited Warranties set forth herein do not apply to:

- Faulty or improper application of said product or products not installed or applied in accordance with the printed instructions on the product bundle wrappers.
- Damage to the products caused by inadequate attic/roof sheathing ventilation. (Note: Ventilation must meet the FHA and HUD Minimum Property Standards or a minimum of one (1) square foot of net-free attic vent area for every 150 feet of attic floor area; or one square foot per every 300 square feet, if vapor barrier is installed on the warm side of the ceiling, or at least one half the ventilation area is provided near the ridge.
- The use of any self-described metalized or metal-containing category of "Radiant Barrier", as an asphalt shingle underlayment installed above the deck. Spray-on types of below-deck vapor permeable radiant barriers will be considered only on a job-by-job basis, and only if test confirmed greater than 2 perms and adequate ventilation can be achieved.
- Replacement of products for the first six (6) months after application due to:

- Loss of Granules: Products, when first applied, will have some excess granule wash off.
- Discoloration: i) Some color shading may occur due to positioning or embedment of the granule; ii) Yellow staining and/or powder-like shading may occur due to transfer of backing materials. The conditions listed in section (c) are normal and should be eliminated by natural weathering conditions over a six (6) month period after application.
 - Damage to a roof due to settlement, distortion, failure, or cracking of the roof deck, walls, or foundation of a building or to any defect in or applied or for damage by foot traffic on the roof.
 - Damage from any cause other than inherent manufacturing defect.
 - Acts of God including lightning, wind gusts in excess of the specified Wind Speed Limits listed herein, hurricane, tornado, hailstorm, and impact of foreign objects or other violent storms.
 - We are not liable to you if you make a warranty claim in the future or make structural changes and any replacement shingles vary in color either due to normal weathering or changes in our product line or color blend.
 - Claims by owners or transferees not qualifying as Original Owners or Authorized Transferees under this Limited Warranty.
 - Black streaks due to blue-green algae growth where shingles were installed on a low-slope, (i.e. installations with a slope that is less than or equal to 2:12); installations in which non-Atlas shingles with Scotchgard™ (including, without limitation, low-slope roofing and low-slope roofing draining onto mansard roofing) shed water onto Atlas Shingles with Scotchgard™; roofing installation where Atlas Shingles with Scotchgard™ do not comprise the entire shingled area of the roof, including, without limitation, hip and ridge shingles.
 - Roofing installations where discoloration of the shingles is found to be primarily due to anything other than the black streaks caused by blue-green algae, including, without limitation, discoloration due to green algae, lichen, moss, mold, mildew, pollen, bird droppings, insect infestations, and non-biological contaminants.
 - Any dark, black, or other staining on fascia, siding, shingle(s), and any surfaces caused by the runoff or migration of asphalt cement and/or one of the components from the asphalt cement. Any adverse reactions with the Atlas Product caused by the asphalt cement will be excluded.

TRANSFERABILITY

You, the original purchaser of the product, can make full transfer of this warranty only one time, during the first ten (10) years for StormMaster® Shake, Pinnacle® Impact, Pinnacle® Sun, and Pinnacle® Pristine; which begins on the date of original installation. This warranty cannot be transferred after those term lengths expire. For this warranty to be transferred, the homeowner must complete a Warranty Transfer Application by visiting AtlasRoofing.com/Warranty, along with paying a transfer fee of one hundred (\$100.00) dollars within sixty (60) days after the date of the real estate transfer. If these terms are satisfied, the second owner will obtain the benefits of the original warranty. Proof of purchase of the Atlas shingles and the installation date must be submitted with the online Warranty Transfer Application. Transfer of this warranty shall not renew or extend the warranty terms, nor alter the warranty provisions, nor shall any duplication of any previous claim be accepted. AFTER YOU HAVE TRANSFERRED THIS WARRANTY TO THE PURCHASER OF YOUR HOME, IT MAY NOT BE TRANSFERRED AGAIN. THAT IS, THE PURCHASER OF YOUR HOME MAY NOT TRANSFER THIS WARRANTY TO ANY SUBSEQUENT PURCHASERS. Warranty Transfer Applications may be completed online by going to: AtlasRoofing.com/Warranty.

WARRANTY REGISTRATION

Warranty registration can be completed online by going to: AtlasRoofing.com/Warranty. Warranty registration is not required to qualify for Atlas shingle warranty coverage.

CLAIM REPORTING PROCEDURE

Any claim made hereunder must be made within thirty (30) days after discovery of the alleged defect by calling 1-800-478-0258 or in writing to:

Atlas Roofing Corporation
Attn: Consumer Services
2674 31st Ave. S
Meridian, MS 39307.

To fully evaluate your claim, we may ask you to provide and forward, at your expense, pictures of your shingles and/or two (2) full shingle samples for us to test. Repairs made prior to or during the investigation period without Atlas Roofing Corporation's prior written approval shall be at the owner's expense. With all claims, the original proof of purchase must be submitted, with any other claim information requested.

WARRANTY NOT VALID IF SUBMITTED INFORMATION IS ERRONEOUS OR FRAUDULENT.

Any claim for shingles that have been replaced prior to Atlas receiving written notification of the claim, samples and inspection will be denied.
